Memory Box (The Radio Song) - lyrics by JJ PARKI
(Submitted into the UKSC 2020. Awarded 4 out of 5 stars & Commended Entry.)

INTRO:

It's another radio song
It'll be over before too long
A not-so-memorable song
Live from Barcelona to Hong Kong
It's just so bad, it feels so wrong
Hey DJ, put on another fuNking song!

VERSE 1:

Tune in to the Memory Box
Number ones, Top of the Pops
Such nostalgia on the Memory Box
One-hit wonders and sheer flops
It won't be long before it stops...
Hey DJ, put on a better song that rocks!

BRIDGE:

More beats about to drop
From R'N'B to Rock and Pop
Is it a piece of modern art?
The Hit Parade's about to start.

CHROUS 1:

It's just another radio song
It's almost over, it's almost gone
A not-so-memorable song
Live from Barcelona to Hong-Kong

I scream at the DJ to play a better song
Ease my pain, don't you dare prolong!

VERSE 2:

There's no fast forward or repeat
You're stuck fast with this beat
Seeping into your mind
You'll be stuck on rewind
Will it be long before it stops?
-Better turn off the Memory Box!

CHORUS 2:

It's just another radio song
It's almost over, it's almost gone
A not-so-memorable song
Live from Barcelona to Hong-Kong

I plead with the DJ to play a better song
Ease my pain, don't you dare prolong!

BRIDGE 2/OUTRO:

Ra-ra-radio song,
Ra-ra-radio song,
It's gone before too long,
G-G-Gone before too long,
Ra-ra-radio song

Ain't you sick of this song?
Another radio song
Ra-ra-radio song.
